INCOMPAS Welcomes Chairman Pai’s Broadband Deployment Advisory Committee

WASHINGTON DC (Jan 31, 2017) – In response to the announcement by FCC Chairman Ajit Pai on the creation of a Broadband Deployment Advisory Committee for his Digital Empowerment Agenda, **Chip Pickering, CEO of INCOMPAS released the following statement:**

“We welcome and commend Chairman Pai on his announcement of a Broadband Deployment Advisory Committee to help guide his Digital Empowerment Agenda. We must make broadband deployment a national priority, as new networks create jobs, boost education and unleash the future.

“New competitive network builders have shown the path to success. In communities with more choices and access, broadband speeds increase, prices drop and new businesses thrive. We look forward to working with Chairman Pai and the entire FCC on a plan for success.”

About INCOMPAS:

INCOMPAS, the Internet and competitive networks association, is the leading trade group advocating for competition policy across all networks. INCOMPAS represents Internet, communications and technology companies large and small, advocating for laws and policies that promote competition, innovation and economic development.
