## **INCOMPAS and Internet Association Joint Statement On Net Neutrality Discussions**

Washington, DC (August 30, 2017) – Chip Pickering, CEO of INCOMPAS and Michael Beckerman, President & CEO of Internet Association issued the following statement on House Energy and Commerce Committee's efforts to advance net neutrality discussions:

“INCOMPAS and Internet Association appreciate the time and effort that Chairman Walden and his staff have dedicated to resolving Open Internet issues. This issue is complicated and the best thing for the economy and all stakeholders is to have lasting rules. We share the goal of enshrining net neutrality, and very much look forward to continuing our close work with all interested parties in accomplishing that objective.”

###

### **About INCOMPAS:**

INCOMPAS, the Internet and competitive networks association, is the leading trade group advocating for competition policy across all networks. INCOMPAS represents Internet, streaming, communications and technology companies large and small, advocating for laws and policies that promote competition, innovation and economic development.
